Мне кажется порою, что солдаты  
С кровавых не пришедшие полей,  
Не в землю нашу полегли когда-то,  
А превратились в белых журавлей.

Они до сей поры с времен тех дальних  
Летят и подают нам голоса.  
Не потому ль так часто и печально  
Мы замолкаем глядя в небеса?

Летит, летит по небу клин усталый,  
Летит в тумане на исходе дня.  
И в том строю есть промежутки малый -  
Быть может это место для меня.

Настанет день и журавлиной стаей  
Я поплыву в такой же сизой мгле.  
Из-под небес по-птичьи окликаю  
Всех вас, кого оставил на земле.

Мне кажется порою, что солдаты  
С кровавых не пришедшие полей,  
Не в землю нашу полегли когда-то,  
А превратились в белых журавлей.

Mne kazhet-sya poroyu, chto soldaty  
S krovavykh ne prishedshiye poley,  
Ne v zemlyu nashu polegli kogda-to,  
A prevratilis' v belykh zhuravley.

Oni do sey pory s vremen tekhn dal'nikh  
Letyat i podayut nam golosa.  
Ne potomu l' tak chasto i pechal'no  
My zamolkayem glyadya v nebesa?

Letit, letit po nebu klin ustalyy,  
Letit v tumane na iskhode dnya.  
I v tom stroyu yest' promezhutok malyy -  
Byt' mozhet eto mesto dlya menya.

Nastanet den' i zhuravlinoy stayey  
Ya poplyvu v takoy zhe sizoy mgle.  
Iz-pod nebes po-ptich'i oklikaya  
Vsekh vas, kogo ostavil na zemle.

Mne kazhet-sya poroyu, chto soldaty  
S krovavykh ne prishedshiye poley,  
Ne v zemlyu nashu polegli kogda-to,  
A prevratilis' v belykh zhuravley.

Sometimes I feel that all those fallen soldiers,  
Who never left the bloody battle zones,  
Have not been buried to decay and molder,  
But turned into white cranes that softly groan.

And thus, until these days since those bygone times,  
They still fly in the skies and gently cry.  
Isn't it why we often hear those sad chimes  
And calmly freeze, while looking in the sky?

A tired flock of cranes still flies – their wings flap.  
Birds glide into the twilight, roaming free.  
In their formation I can see a small gap –  
It might be so, that space is meant for me.

The day shall come, when in a mist of ashen  
I'll soar with cranes, and final rest I'll find,  
From the skies calling – in a bird-like fashion –  
All those of you, who I'll have left behind.

Sometimes I feel that all those fallen soldiers,  
Who never left the bloody battle zones,  
Have not been buried to decay and molder,  
But turned into white cranes that softly groan
